2009 - 2019

I am pleased to present the Donate Life South Carolina annual report for 2019. Donate Life South Carolina celebrates ten years of saving and healing lives in South Carolina this year! With the institution of the state registry in 2009, we continue to expand programs that promote and educate the importance of organ, eye and tissue donation in communities throughout South Carolina.

A part of our legacy is in building strong state teams. I feel very fortunate to be a part of such a large community of outstanding partnerships in South Carolina who work together to serve this life-saving cause. I want to acknowledge and extend thanks to all those who selflessly support this agency by giving their time, talent, and resources! Most importantly, I extend my extreme gratitude and love to all donors and donor families who have said “yes” to donation for transplantation. In that decision, they left a legacy of the most significant magnitude, The Gift of LIFE.

Donate Life South Carolina remains strong and continues to grow as we hold to our mission of reaching our strategic goals while focusing on our vision so that one day, all individuals who need a transplant will receive one.

Tracy Moore,

CEO
Executive Director
Donate Life South Carolina

APRIL IS NATIONAL DONATE LIFE MONTH

South Carolina Governor's Joint Press Conference on National Donate Life Month held at State House.

Donate Life South Carolina, the South Carolina Department of Motor Vehicles, We Are Sharing Hope SC, and Miracles in Sight gathered in Columbia to kick off National Donate Life celebrations throughout the month of April.

The Honorable Lieutenant Governor, Pamela Evette read the proclamation which renews the state partnership to increase the number of registered donors in South Carolina.

Other speakers include- Tracy Moore, Executive Director/CEO Donate Life South Carolina; Kevin Shwedo, Director of South Carolina Department of Motor Vehicles; Honorable Representative Jay West; David DeStefano, President of We are Sharing Hope SC; Dr. Derek DuBay, Transplant Director, MUSC and Ingrid Schunder, Vice-President of Donor Logistics, Miracles in Sight.
